International application No.

PCT/US01/13683

III. Non-establishment of opinion with regard to novelty, inventive step and industrial applicability

1. The question whether the claimed invention appears to be novel, to involve an inventive step (to be non-obvious), or to be industrially applicable have not been and will not be examined in respect of:

- ☒ the entire international application,
☐ claims Nos. _____

because:

- ☒ the said international application, or the said claim Nos. 1-55 relate to the following subject matter which does not require international preliminary examination (*specify*):

Declaration of Non-Establishment of International Search report PCT/ISA/203 (17 Jan. 2002) states that "claims relating to inventions in respect of which no international search report has been established need not be the subject of an international preliminary examination.

- ☐ the description, claims or drawings (*indicate particular elements below*) or said claims Nos. _____ are so unclear that no meaningful opinion could be formed (*specify*):

- ☒ the claims, or said claims Nos. 1-55 are so inadequately supported by the description that no meaningful opinion could be formed.
☒ no international search report has been established for said claims Nos. 1-55

2. A meaningful international preliminary examination cannot be carried out due to the failure of the nucleotide and/or amino acid sequence listing to comply with the standard provided for in Annex C of the Administrative Instructions:

- ☐ the written form has not been furnished or does not comply with the standard.
☐ the computer readable form has not been furnished or does not comply with the standard.
